in days: 75 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1) Conditions relating to the contract
III.1.1) **Deposits and guarantees required:**
Tender guarantee
Tenderers must provide a tender guarantee of 19,000 EUR when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer(s) upon signature of the contract by all parties. This guarantee will be called upon if the tenderer does not fulfill all obligations stated in its tender.

Performance guarantee
The successful tenderer will be asked to provide a performance guarantee of 10% of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender. Pre-financing guarantee for the full amount of the pre-financing payment in accordance with article 26.5 of the General Conditions.

III.1.2) **Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:**

III.1.3) **Legal form to be taken by the group of economic operators to whom the contract is to be awarded:**
Tendering is open to all legal persons participating either individually or in a grouping (consortium) of tenderers which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the Romania-Serbia IPA Cross-border Cooperation programme under which the contract is financed. All supplies must originate in one or more of these countries. Tendering is also open to international organisations. Tendering by natural persons is directly governed by the specific instruments applicable to the programme under which the contract is financed.

III.1.4) **Other particular conditions**

III.2) **Conditions for participation**

III.2.1) **Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers**
Information and formalities necessary for evaluating if the requirements are met: At least 5 staff currently work for the tenderer in fields related to this contract.
The tenderer has the following certificates appropriate to this contract: ISO 9001:2008 Quality management systems; ISO 20000:2005 - IT Services Management System; ISO 27001:2006 - Information Security Management System

III.2.2) **Economic and financial ability**
